*Lafarge North America*

Fred Parish  
*Knife River NW*

James Wells  
*Ash Grove Cement*

On behalf of the EIC Committee, we would like to invite your company to be a sponsor for the upcoming Excellence in Concrete (EIC) Awards Program.

**Please take a moment now to review and complete the enclosed sponsor form and return it by mail, fax, or email.** *If you would just like us to invoice you, without filling out a form, call Lori at 503-588-2430.*

Platinum Sponsors may make early *reserve table* reservations. Note: If choosing this option, you may provide your attendee names at a later date.

In addition to industry exposure for your company, your sponsorship enables us to produce this program and charge **no entry fee for project submissions**. This ensures more entries get submitted, and allows greater project diversity from contributors in Oregon and SW Washington. Please help us continue this practice.

**The 39th annual Excellence in Concrete Awards program will be held on Thursday, April 25, 2019 at the Salem Convention Center.**

You can find more information including the most recent program and sponsors online at [www.ocapa.net/excellence-in-concrete](http://www.ocapa.net/excellence-in-concrete).

**If you have any questions, please give me a call.**
